WINTER LUNCHTIME SESSIONS

SHARING PRACTICE FINDING SOLUTIONS FOR CHILDREN, YOUNG PEOPLE & FAMILIES

In Control Scotland

We will be running another series of online lunchtime sessions on the last Thursday of every month for anyone interested in self-directed support for children, young people and families. These interactive sessions will be held online using Microsoft teams from 12.00 pm (noon) – 1.30 pm

in  **Control**[®]
Scotland

Dates

Thursday, 28th October 2021

Thursday, 25th November 2021

Thursday, 27th January 2022

Thursday, 24th February 2022

Thursday, 31st March 2022

Each session will focus on a particular theme and will involve some presentation plus plenty of opportunity for discussion, sharing ideas, and exploring challenges and solutions. The purpose of these lunchtime sessions is to make connections and share things that work, so more children, young people and families can really be involved in directing their own support in ways that make the most sense to them.

In the first of these Winter sessions, on **Thursday, 28th October** our focus and inputs will be about ideas and practice about moving into adulthood.

For further information about these sessions and the link to join contact:
